BŒRFLAVE'S Dyspepsia,

Liver Complaint, Fever & Ague, &c The successful introduction and use of this celebrated Remedy has been the signal for a literal flood of compounds called "Bitters," offered in various forms, from a quart bottle to a five-gallon keg, until this word "Bitters" is but another name for "greg," or some villainous whisky mixture.

But the really great relief derived from the minute dose, one tenspoonful, of our medicine,

Borhave's Holland Bitters, and the entire absence of after prostration, has established for it a reputation which the host of imitations and counterfeits have failed to undermine this positively vegetable preparation, with barely sufficient pure spirits to preserve it.

But one size of the genuine (Half-Pint Bottles), price One Dollar.

It is a medicine of long tried officacy for Purifyers the Blood, so essential for the foundation of good health and for correcting disorders of the stomach and bowels.

Two or three doses will convince the afflicted of its salutary effects. The stomach will specify regain its strength, a healthy action of the liver, bowels, and kidneys will soon take place, and renewed health be the quick result.

A Compliment from Royalty. We clip the following from the London (Court) Journal. "We have of late observed with pleasurable feelings a growing tendency among the higher circles to contract a closer intimacy with the disciples of Art and Science. This is as it should be, for in our humble opinion England rises higher in the scale of civilization by the fertile genius of her sons than by the rays of military glory reflected from her arms. At the late levee in the Queen's Drawing Rooms, among other notabilities we noticed with unfeigned satisfaction the celebrated Dr. Holloway, whose Pills and Ointment have won for him a universal and imperishamounting to \$3 or less must invariably be paid in advance to secure attention.

able name, his sober habiliments strangely contrasted with the elegant and recherche dress of the courtiers who surrounded him. On introducing him to the Queen. Her On introducing him to the Queen, Her Majesty extended her hand to him in the most gracious and smiling manner, detainfor on delivery. Transient ing him a few moments by well merited compliments to his fame, which had been echoed to the uttermost boundaries of the earth, wherever sickness had found a "local habitation," or disease sown its dragon's teeth. Her Mejesty particularly alluded to the benefits which not only the wounded British but even French Soldiers had received from his Ointment during the Russian war. The Doctor bewed his venerable head in acknowledgement of this proud tribute from his Sovereign Mistress to his unceasing efforts in the cause of suffering humanity. From the united testimony of the Medical Staff, the Officers, and Miss Florence Nightingale, who all concurred in the great efficacy of Dr. Holloway's Ointment in gua-shot wounds, sloughing ulcers, saber cuts and contusions, the Government has issued orders that the Oiutment be used for dressings in all the Military Hospitals throughout Great Britain and her dependencies." - Chester Morning Times.

THESE hard times—when every dollar counts—the people like to know where they can get the best bargains in grocories, and they all go to ELLIOTT'S, for he has the reputation of underselling everybody else. And now, that he has a large stock on hand, we do not hesitate in saying that he will sell at Cincinnati prices.
